

November 5, 2007

To our valued partners,

I am pleased to announce that I have purchased the Tampa branch of White Electrical effective November, 1<sup>st</sup> 2007. Our new company name is MJM Electric, Inc. I have been an employee here for twenty years, and the General Manager and Branch Manager for ten years. I am very excited about the future and having full control of the company business. I think it will be both quicker and easier to fill the needs of customers and employees.

The transaction between White Electrical and me has been very amicable. I have had the full support of our entire staff through the process. All the same people that have handled your needs remain in place. Our location and phone numbers remain the same. Over the next thirty days or so, you will see the signage on the vehicles, letterhead, and business cards change. Our emails have changed to "first name.last name@mjmelect.com". I will be contacting each of our customers and vendors in the near future to discuss the change with you personally.

I look forward to continuing our relationships into the future. Our priorities remain "Safety and Quality".

Sincerely,

*Mark J. Mazur*
